Important Message

Welcome back to school! We are very excited about the school year that is about to begin. Lincoln School's focus is to provide each child with new challenges that will result in a rewarding school experience. We want your child to be happy and successful at Lincoln, and you play a key role. That role is to continually show interest in and to support your child's education. Lincoln is a school where students are supported and encouraged to grow in all areas- academically, socially, and emotionally. I am fortunate to be a part of this high-quality learning community, and I speak on behalf of the entire staff when I say we are excited to have each of you as part of our school community. Working together we will have a wonderful year filled with learning, lifelong relationships, and the joys of success and accomplishment.
